

2019 TEAM CONCEPT CONFERENCE

CALL FOR POSTER ABSTRACTS

Submission Deadline: August 15, 2019 at 11:59 PM (PDT)

The American Academy of Sports Physical Therapy (AASPT) is recognized as the leader in sports physical therapy by promoting excellence in research, education, and professional development. AASPT’s annual meeting, Team Concept Conference (TCC), is an excellent forum at which to share your scholarly work, including research reports and case studies. Help us continue the tradition of high quality programming at TCC, and submit your work for presentation in 2019!

AUTHORS: Individuals may submit up to 2 abstracts as the presenting author but are allowed unlimited submissions as a secondary author. If an abstract is accepted for presentation, the presenter must register for TCC. There is no waiver of registration fees for presenters. Sports physical therapy residents, fellows, and students are encouraged to submit. *Important requirement: If no authors maintain a current AASPT membership, you must have an active AASPT member sponsor your submission.*

FEES: There is no fee (\$0) associated with submitting an abstract.

FORMAT: Abstracts are intended to represent scientific research or noncommercial content related to clinical practice. Advertisements or content susceptible to conflicts of interest are not acceptable.

Submissions that do not include all required elements will not be reviewed. Authors are expected to ensure that all information is correct at the time of submission. The following elements are required for each submission category:

RESEARCH REPORT	CASE STUDY REPORT
Author Information	Author Information
Sponsor (if applicable)	Sponsor (if applicable)
Title	Title
Purpose/Hypothesis	Background & Purpose
Subjects	Case Description
Materials/Methods	Outcomes
Results	Discussion
Conclusions	References
Clinical Relevance	
References	

Titles are limited to 15 words. There is a limit of 3,125 characters for the text of your abstract submission, including spaces. This DOES NOT include authors, institutions or references. Author information must include name, credentials, organization name, and organization city/state; and a current email address for the presenting author. Please ensure contact information is correct, as all correspondence relating to submissions will occur via email. Author information will appear exactly as submitted in all TCC publications. For references, provide a minimum of 5 current bibliographic references, none more than 10 years old (2009 and after).

REVIEW: The AASPT Research Committee and its designees will employ a blinded review process of all complete abstract submissions, and make the final decision regarding acceptance.

AWARDS: During TCC, a panel of on-site judges will evaluate the scientific quality, clinical significance, and presentation effectiveness of each poster, from which a Research Poster Award and Case Report Poster Award will be named. Awardees will receive a certificate and paid registration to TCC the following year.

SUBMISSION: All abstracts must be submitted electronically via the [online submission system](#). Submissions will open July 15, 2019, and must be received by 11:59 PM (PDT) on August 15, 2019. Paper or faxed submissions will not be accepted. Notifications of acceptance will be made no later than October 1, 2019.
