
CORRIGENDUM

PASSIVE HIP RANGE OF MOTION IS REDUCED IN ACTIVE SUBJECTS WITH CHRONIC LOW BACK PAIN COMPARED TO CONTROLS, Volume 10, Number 1, February 2015, Pages 13-20.

The paper "Passive Hip Range of Motion is Reduced in Active Subjects With Chronic Low Back Pain Compared to Controls" was originally published in IJSPT in February 2015, with an incorrect name for one author. Please note: Dr. Jun G. San Juan, PhD, ATC was incorrectly listed as Juan, JG and should have been San Juan, JG.
